## TECHNICAL ANIMATOR

## EXPERIENCE

**Savannah College of Art and Design (SCAD)      September 2024 - May 2027**

Technical Animation

- **Notable Projects**
  - **Juvenate:** Outsourcer/Consultant. A 2.5D Action-Platformer with a mix of 2D and 3D traversal, combat, and puzzles. 6x Entelechy Finalist, including winning Best in Show. Also, the winner of the Collegiate Games Challenge Cinematic category and a finalist in the interactive category.
  - **Germinator:** With the theme of "Bubble," our 13-person team competed with 200+ SCAD students to create a playable game and trailer in 48 hours. Responsible for modeling, texturing, rigging, and animating the playable character as well as some more complex props.
  - **3DX Club Challenge:** We were to work with a partner to come up with a Valentine's-themed 3D piece where each teammate was responsible for at least one aspect of the project. I did the modeling and UV unwrapping, and my teammate did the texturing. We won first place.
- **Game Development Network's SCAD Sculpts (3D Sculpting Club)**
  - **Club Liaison 2025:** Responsible for being at events and meetings and encouraging student involvement and community, while also being a resource for students to come to if they need help.

**Broadmoor United Methodist Summer Camp**

**2023-2025**
